# JUST CRUISING

---

## A message from the President

Welcome to the latest edition of Just Cruising!!

I just wanted to start off by saying a big thankyou to all the committee for their continued support and hard work over the last couple of months, everything is running very smoothly behind the scenes and it is a pleasure to be a part of a great team. A thank you goes out to all members too who have braved the cooler weather to attend cruises lately, we have had a great turnout to all recent events!

In saying that, hopefully very soon we will start to see that sun peak out through the clouds as spring has finally sprung, which also means All Ford Day is right around the corner. We have great numbers attending so it should be a fantastic day. Just a reminder that it would be great to get members along on the Saturday prior to the show to help with the set up etc. and on the day we need everyone on board to help with the running of the event, get those Marshalling cards out! As with every year, this event is the biggest one we hold. The All Ford Day team are working extremely hard to ensure the day runs smoothly. A massive thank you to them for all their hard work that they have put in so far. There will be a detailed run down for the day at our members meeting next week so it would be awesome to see as many people as possible.

Just another quick note, we have some exciting cruises coming up, please ensure you RSVP to the host, a yes or no is greatly appreciated.

Hope to see you all out cruising soon!!

Regards  
Brett Moseley

## Winter Warmer Cruise 21<sup>st</sup> July Hosted by Chris and Juanita Field

We started the cruise at Newton Village Shopping Centre. It was a lovely day for a drive. We headed out of the car park and immediately improvised on the original planned route (maps and instructions are only suggestions, aren't they?) but we were glad we did. It had been a little difficult to devise a route that the Twilight Hills Cruise had not travelled. Travelling up through the twists and bends of the hills it was great to see some beautiful scenery, if a little eerie for some of us at times. It is truly lovely to see so much green around for a change.

Our first stop was at Melba's Chocolate Factory where we all indulged in a little luxury, with some venturing next door to the Cheese Wrights shop. Our final destination was the Woodside Hotel. The carpark across the road at the pool looked awesome with all our beasties lined up.

Thank goodness we had booked indoors, outside it was a little chilly and noisy once the band started (not to mention a birthday party had dibs on the outdoor venue). We all enjoyed a lovely winters lunch from the al a carte menu which was extensive and catered for all diets. We did however wonder who had prepared the specials board and decided that ribs would make a good dessert!! We finished up the meals and thanks to many entertainment vouchers offered, with as many as we were allowed to use, the discount was donated to our charity.

Whilst we had lovely weather to start the cruise, the trip home was not so pleasant – striking thick fog on the way down the freeway – making the decision to leave the 'don't get wet/not a boat' cars at home was a wise one.

# 3P Fundraiser Cruise

## 27<sup>th</sup> July - Hosted by John and Robyn Copeland

When we joined the club 2 years ago, we knew that we might be a bit limited in the events that we could attend due to the 2 hour drive to Adelaide from Waikerie. Every trip we've done we have both very much enjoyed with the added bonus of meeting some great people so we decided that we would like to host what turned into 3P Day at our house on July 27<sup>th</sup> – 3P being the 3 things we love eating most: Paella, Pizza and Pudding! Our great kids were on hand to help with the prep work on the day prior which helped make everything run smoothly on Saturday. It was another gorgeous Riverland winter's day so when the group of 15 arrived around 11, we took the opportunity to sit outside. John cooked the best paella we've made so far, and was also a dab hand at pizza making (his specialty!) getting 8 out in reasonable time. Sticky Date Pudding finished off the meal around 2.30 and while we saw members off after around 3, our really great kids did the clean up!!

We really enjoyed hosting the group at our home and were surprised to be presented with gifts by Brett on behalf of the club. It's here I would like to note that Robyn (Moseley) really goes out of her way attending to the little crafty details with the gifts and thank you card– one very talented arty lady, so a big thank you to Robyn who couldn't make the day.

Thanks to everyone who made the trip up.

Robyn & John Copeland

## Greenock Aviation Museum Cruise

### 4<sup>th</sup> August - Hosted by Brenton and Ngarie Watkins

It was a sunny winter's day as we headed off from Munno Para. It was funny to see the car temperature gauge showing 9 degrees, as it was on 39 degrees last time we tried this outing!!

An enjoyable drive past rolling green hills and the beginnings of the yellow canola fields until we turned off the Kapunda road and arrived at Lincoln's wonderful 'overgrown hobby' shed – a museum to be proud of! His small models numbered over 1200, and his large exhibits, pieces garnered from all over Australia, survivors and rebuilds from wars gone by, amazed even the non-aviation enthusiasts amongst us!

We marvelled at the conditions our forebears went through defending our country with such basic machines. We had a yummy BBQ lunch, we listened to a unique truck engine start up, and waited patiently for another engine which refused to cooperate, and then headed off to Tanunda for more pleasant socialising over milkshakes for afternoon tea. Thanks to all who joined us on a fabulous day out; for the 21 of us it was certainly a cruise to remember!!

## Footy Tipping 2019

Well that's the season done, now on to finals which we don't do tipping for!  
Congratulations to the following winners;

- 1<sup>st</sup> Brett Moseley
- 2<sup>nd</sup> Robyn Moseley
- 3<sup>rd</sup> Kim Malone

It got tight towards the end there with only two points between the top three. Thanks to everyone that participated this year and here's to next year (hopefully a better season for the Adelaide based supporters).

## Bunnings BBQ

Well the Bunnings BBQ in July was a great success. We raised \$326. which we have to say is great for a weekday, hopefully next time we get a weekend one!  
A BIG Thanks to Pete, Helen, Connor, Caitlin, Brett and Robyn who manned the BBQ all day and thanks to Liam for coming and grabbing a snag or two.

We have another BBQ booked for Monday 28<sup>th</sup> October, if your free anytime that day your help would be greatly appreciated!

## Autobarn BBQ

Another great day and turn out for this fundraiser BBQ. We raised a total of \$257 here and had 3 membership enquiries. We are looking at holding another one in the Summer months.

## Cadbury Fundraising

Thanks to everyone that sold some Chocolates on behalf of the club over the last few months. We still have a few boxes of outstanding monies, if you could get that money to Helen asap it would be appreciated.

## Club Sponsors

## Club Supporters

## Charity

As you are aware this year the committee has chosen the Hospital Research Foundation as the charity to support.

We have already reached our fundraising goal of \$750, largely due to the 3P Cruise hosted by John and Robyn Copeland (thanks again). The club matched the funds raised that day and along with the chocolate money, Bunnings BBQ and Autobarn BBQ we have 100% raised our goal. Thanks to everyone for your help in raising these funds.

If you want any information on the Charity check out their web site at [www.hospitalresearch.com.au](http://www.hospitalresearch.com.au).
