All Ford Day Success for FPV

Early morning showers didn't deter die-hard Ford fans from turning up in droves yesterday for the annual Maughan Thiem sponsored "All Ford Day" at Seacombe.

The FPV & XR Car Club-SA made a striking impression with their 22 car contingent, complete with club flags adorning their cars as they drove in to take their place along side almost 400 gleaming Fords of every make and model.

With various food & drinks, trade stands, racing simulators, face painters and a jumpy castle, this was an enjoyable day out for the whole family.

Club member Lee Stacy braved taunts from the crowd and had his head shaved to raise money for the "World's Greatest Shave", in support of the Leukaemia Foundation.

Several club members won great prizes in the raffle, and Club President Brad McAlpine won the Best XR Trophy to add to his haul, claiming that he'll have to build a pool room for them all.

Entry Director Andrew (Bosco) Monks & Chief Judge Rob Baumann worked tirelessly to ensure the 2010 All Ford Day was a success
