Easter Fun with FPV & XR

Thirteen gleaming cars from the FPV & XR Car Club-SA left West Beach yesterday morning, eager to hit the road for a long awaited cruise to celebrate Easter Monday.

After a pleasant drive through the southern hills, the club arrived at the grassy "Riverbend Park" in Clarendon, where the BBQ was lit and soon the smell of sausages, bacon and eggs filled the air.

While waiting for the BBQ (and looking resplendent in Bunny ears), Bosco's Bunnies took on the Morrison Bunnies in a friendly game of soccer,

with Bosco's team winning 7 - 4, much to the delight of the appreciative crowd!

As always, Pete & Helen provided the club with heaps of food and drinks, and the Easter Bunny hopped around handing out chocolate Bunnies for the little kids and chokky eggs for the big kids.

After another game of soccer, everyone relaxed, chatted, and enjoyed the sunshine and the company of new and old friends.

The FPV & XR Car Club really hopped into the spirit of Easter, and had a bunny load of family fun!
