

# JUST CRUISING

A message from the President

There is only 7 more weekends until Xmas, where has the year gone?

We've had a great year, lots of interesting & fun events, lots of changes and some new members coming on board to top it off nicely. We've made lots of memorable moments this year as a club and I personally have my favorites and I'm sure everyone does.

A big thank you to Cara for recently stepping up and taking on the role of Events Coordinator, the Committee is so busy it was getting quite hard to manage. Cara has done a wonderful job of planning the Tasmania trip schedule next year, looking forward to what else she has in store for us all.

We have recently started implementing some of our plans to undertake a few club upgrades. These include our marketing material, club marquee and the club trailer. I can report that Brett has already started the trailer and we will no longer need to take everything out of the trailer to access the marquee's, we now have a floor that allows us to slide the marquees in and out easily. It's nice to be able to reduce the amount of hard work by making a few changes, a big thank you to Brett for taking this on. We have updated our display boards and we have some new DL club flyers thanks to Michael from Haynes Signs at Salisbury. Next on the agenda is the marquees, some costing's are being done so I will keep you updated on any progress as it comes to hand.

Finally as we all start to drag our feet as the year draws to a close I would like to thank everyone for keeping up the huge effort and motivation it takes to keep our club fun, professional and successful.

## A MESSAGE FROM THE ALL FORD DAY COMMITTEE

All Ford Day South Australia 2017 was the 38<sup>th</sup> All Ford Day event for South Australia and is organised by a small team from the Model A Club and FPV & XR Car Club. After a successful celebration of the history of the Falcon in 2016, high expectations were held for this year's event, which was again to be held at Bonython Park.

This year, All Ford Day SA had a special gathering of cars to celebrate the 40<sup>th</sup> anniversary of the historic 1977 Allan Moffat and Colin Bond 1-2 finish at Bathurst in their XC Coupes. Working in conjunction with the South Australian Hardtop Group, 49 XA – XC hardtops gathered for a special group display at All Ford Day SA. This group put together a fantastic display and was a key central display at this year's event.

Unlike last year, the weather was perfect for this year's event. This helped the event to run smoothly as there were no last minute changes required. The layout was revamped this year to create a central hub area for the food and trade stalls in the middle of the show.

The 2017 event saw another increase in entrants to over 350 cars and a huge increase in the number of visitors to the event. With over 2000 visitors counted through the gate this is nearly double the 2016 visitor numbers. The whole event grounds were bustling with people all day, food vendors had constant lines and all the vehicles looked great on the day together. This year we were able to donate \$5000 to our charities. These charities included, The Leukemia Foundation, St Johns Ambulance, Tennyson Palliative Care Foundation and the Sabrina Mangos Foundation.

The All Ford Day SA Team would like to thank all of those members that assisted with the day and helped to make it a great success again this year. We rely on the help from our club members to ensure the day is a great event and appreciate the work put in by those that contributed throughout the weekend.

And now begins the planning for the 2018 event!

## All Ford Day BBQ

This year we held a BBQ to raise funds for the club. It was an early start supplying egg and bacon rolls for all the members and the helpers and it didn't stop from there. There was always a line of hungry punters until we ran out of food. A big thank you to all the members for helping throughout the day, it was an amazing effort from everyone involved. We raised over \$2200.

## ANNUAL GO KARTS – 21<sup>ST</sup> OCTOBER HOSTED BY PETE BRANSDEN

On Saturday night we had our annual Go Kart Grand Prix held at Fast Karts Pooraka. We had 14 carts in the race that consisted of 1 x 10 lap qualifying race followed by 4 x 10 lap races.

There was some serious racing with a few collisions but overall it was a fun

night had by all. After the final races the lap times were calculated to work out the overall winners. First place went to Pete, second place went to Connor and third place was a tie between Declan and Zac!

A big thank you to all involved whether it being in the Grand Prix or just coming out to support the event by being a spectator, we thank you all.

## HALLOWEEN SMASA CRUISE HOSTED BY BRETT MOSELEY

We had a great turnout for this Spooktacular Cruise with 17 cars attending. The initial meet was at Hungry Jacks Parafield where we stayed for a while and admired each other's costumes. From there we had a short trip to Ingle Farm Shopping Centre where SMASA were meeting before the start of their annual Halloween Cruise. There were hundreds of cars and lots of scary costumes to look at which was fantastic. After an hour or so it was time to set off on the cruise. The roads were very busy with new and old cars alike as we made our way to Fulham Gardens Shopping Centre via Glenelg. After parking in the carpark there were other opportunities to have a good look around to check out the cool rides. From there we said our goodbyes and made our way home. A big thank you to everyone who dressed up and dressed up their cars. Hope you've all eaten all your candy!
