

JUST CRUISING

A message from the President

Hi Everyone

Hope you all had a great Christmas and New Year, 2018 has definitely crept up on us quickly.

Last year was a good year for the club financially and events wise with lots of great cruises and memorable moments. The club continues to remain financially viable with a very healthy bank balance which is allowing us to purchase new equipment. Keep an eye out for our new marquees, they shouldn't be too much longer, the old ones were looking tired so we decided it was time to replace them and up the anti...

There are some fun events already planned for the first half of the year and the big one that many of us are looking forward to is our trip to Tassie in March, can't wait! Keep an eye out for all the funny stories and pics on our return.

Our AGM is also coming up in March and all nomination paperwork has been sent out, if you haven't received anything please contact Peter Wadham. All nomination forms need to be back to Peter Wadham by Friday 23rd February.

Thanks to all our members for supporting the club last year, enjoy the read and stay cool!

Daniel Shevlin

In the Army cruise Hosted by Brett Moseley

We had a great turnout for this show with 13 cars meeting at castle plaza. It was a relatively early start but everyone was keen for this event as no one had attended it before. Hosted by the Horsepower Crew who were very organised and grateful for our clubs attendance. There was a short drive from Edwardstown to the Warradale Army Barracks where we were shown onto the oval to our area to set up. Everybody pitched in to help set up and from there we prepared our cars ready for the public.

There was a good mix of car clubs and trade stalls which gave us and the public some variety to pass the time. Trevor and Deb also brought a TV so we could watch the V8's!

Towards the end of the day they had the trophy presentation, we were very lucky to have picked up 3 trophies, Sue for "best numberplate", Brett for a "sponsors choice" and the club won "best club display". Following this we packed up the marquee and display and said our goodbyes, Thank you to the members that helped with bringing flags/marquees etc, it was much appreciated!! Overall an enjoyable day was had by all.

Cruise for Charity

Hosted by Kylie Williams

Thank you to those who came along and braved the rain for the first meeting point at Wigley Reserve Glenelg. There was a huge turnout at the oval and the club was represented with 3 cars displaying. At about 7pm we followed the cruise route through the hills ended up at The Showgrounds. Hopefully next year we can get a better turnout. A big thanks to Kate and Josh too for helping me out with Piper.

Club Christmas Dinner

Hosted by Kate & Don Redman

We were all thrilled to spend another wonderful Christmas at the Redman Manor, where we were warmly welcomed by our wonderful hosts Don, Kate & family.

We made our way out into the courtyard where our hosts had arranged an amazing set up with a huge long table decorated with candles, Christmas decorations and overhead fairy lights. The smells coming from the kitchen were amazing and made us all drool and our taste buds dance!

We enjoyed refreshments and a good old yarn while we waited for everyone to arrive and settle in. We even had a surprise visit from a very different looking Father Christmas and his very tired reindeer Rudolph who kept trying to lie down. Father Christmas was getting very cranky with Rudolph for going to sleep on the job but the kids didn't mind they were pleased to see him and loved their Christmas presents.

Everyone enjoyed the huge selection of nibbles, meats, vegetables & condiments followed by some very indulgent desserts which included a soft serve machine which was a huge hit with everyone. I think Helen had to drag Pete away from it more than once.....lol..... he wasn't the only one! It was a lovely evening hosted by two of the most wonderful people who opened up their home and ensured everyone had the best time.

So much food, So much fun - Thank You guys you spoil us all

Committee Members

President:	Daniel Shevlin
Vice President:	Brett Moseley
