# JUST CRUISING

---

## A message from the President

Hi everyone and welcome to the March/April edition of Just Cruising! I hope everyone had a happy and safe Easter and you haven't eaten too much chocolate!!

As you would all be aware we had our AGM in March, thank you to everyone that came along to support the club it was greatly appreciated. We had a few positional changes with a combination of some new members elected into the committee and a return of an old member (no pun intended!). I look forward to working with the new committee for this upcoming year. Also a big thank you goes to the committee members not returning, their contribution over the past years has been crucial in the running of the club and takes a lot of time, work and dedication to ensure everything runs smoothly. For myself personally, I find it a great honour to have been elected as the next president of this fantastic club. It's because of you, the members that we are able to have such a fun group and I hope to keep the good times coming!!

The new events team have already been hard at work on the upcoming events for this year. I am really looking forward to what they have in store for us. If the last few events are any indication on what's coming it should be a great year! Thanks to the events team and congrats to those involved in organising the last few cruises!! Don't forget you can host a cruise at any time you like or if you have any cruise ideas, just speak to Chris!

Anyway enough of me jabbering, I hope you enjoy the rest of this newsletter and please be safe on the roads while you enjoy driving your beasts!!

Regards  
Brett Moseley

## Old Skool 'n New Age – 16<sup>th</sup> March Hosted by Brett Moseley

Arriving at the usual early meet time of 6:30am at Castle Plaza Edwardstown, we had a great turnout of 11 cars. After a brief chat we headed off to Morphett Vale so we could arrive and set up.

We had a slight change of route due to the lovely roadworks at Darlington which ended up being a great way to go, so we will remember that in future!

We arrived at the oval just before 7am which gave us plenty of time to set up. After a slight change in display we were all set up and cleaning away. Once we were finished it gave us a chance to step back and admire how good our display looked with the new marquee, flags and table covers that we have recently purchased. We had some great comments throughout the day on how good we looked. We had fantastic weather which in turn brought a lot of people through the gate. All throughout the day we had people coming up to talk to us and enquiring about the club etc, so that was a very positive sign.

After a drone incident we just relaxed for the rest of the day until it was time for the Trophy presentation. Congratulations to Sue for getting TOP 15 trophies for both her Mustang and GT, we were also lucky enough to pick up the TOP CLUB trophy also!!

After we all ed up, we said our goodbyes and set off on our journey home.

Thank you to all that helped and made it a great day, its greatly appreciated!!

# Kegel Bowling, 31<sup>st</sup> March Hosted by Connor Moseley

A cloudy sky worried the nine cars that showed up at Munno Para shopping centre to begin the Kegel bowling cruise. It was a great turn out with a great bunch of people to lead on my first cruise, being at the front of the pack was a fun for a change. We took the back streets through the hills and made our way to Tanunda where Terry from the Kegel Bowling Club welcomed us and introduced us to the game, all its rules and scoring.

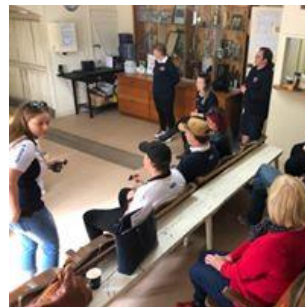

After all members had played a round we decided to set up for lunch. With the help of a few members we had a marquee set up and two tables full of food. Everyone chipped in and brought either something savoury or sweet to put on the table. With home baked goods, meat platters, chicken and salads everyone had a plate full of food and a full stomach by the end of it.

When lunch was finished we headed back inside and had another round of bowling. By end of it we had a tie, Sean Malone and Chris Field both scoring a whopping 39 for only two rounds (the scoring was a bit different to 10 pin bowling).

We then packed up and made our way to the Lyndoch bakery (after being informed by Mr Wadham about half price ice creams). The members enjoyed iced and hot coffees, milkshakes, cakes and of course ice creams. This was where the journey ended for the Kegel Bowling Cruise as everyone made their own way home.

A big thank you for everyone that joined me on the cruise and for bringing something to share for lunch. It was a great day out with an awesome group of people.

# Ferries Cruise – 7<sup>th</sup> April

## Hosted by Peter and Helen Wadham

We started off early at Tea Tree Plaza with 10 cars. The Minetts arrived and Trudy was suitably dressed for our “fairies” cruise, only to find out it was a “ferries” cruise not a “fairies” cruise (but she looked very nice!!)

We wound our way through the Adelaide Hills via Chain of Ponds, Gumeracha, Birdwood, Tungkillo, Palmer and onto the Mannum Foreshore for a delicious morning tea full of Helen’s goodies.

After a short stop at Mannum we headed to the ferries for our first crossing. It was then onto Purnong where we had to wait for a short time because the ferry could only take 8 cars. Our next stop was at Walker Flat, again we needed 2 ferries to accommodate our numbers. From Walker Flat we drove on to Swan Reach where we all enjoyed a delicious lunch at the Swan Reach Hotel and admired the great river views.

The roads we travelled along were in very good condition and we covered 311 kms altogether. On our way home several of us visited the Lyndoch Bakery for the second week in a row, then all headed home on our separate ways.

All in all we had an awesome day and we thank all the members who came and made it such a good day.

P.S. Lyndoch Bakery still has half price ice-creams!!!

# Easter Breakfast – 21<sup>st</sup> April

## Hosted by Robyn and Brett Moseley

With rain imminent the destination was changed the night before from Hazelwood Park to the good old faithful Thorndon Park where protection from the rain was supplied by the huge shelter there. With Brett and Robyn already at the destination, Paul and Trudy met the 7 cars at Bunnings Parafield to lead them up to Thorndon Park. Of course it didn't rain while we enjoyed our breakfast (only when we were setting up) but the shelter did keep us warm and sheltered from the wind.

The Easter bunny had already been by the time everyone turned up and left us all treats on the table to enjoy. Everyone helped cook the BBQ Breakfast and we all sat down and filled our bellies with lots of bacon, eggs, sausages and the normal breakfast trimmings. We even had dessert after breakfast with Gorgeous Bunny Butt cup cakes, slices and delicious cake balls. Of course the hot cross buns were forgotten but everyone got to take some home to enjoy later (we were so full anyway!)

Congratulations to Helen Wadham for winning the "Easter Hat" competition, it wasn't a hard decision, seriously who couldn't go past an Easter Ford hat.

We hope everyone enjoyed themselves and thanks for coming!

# Torqueing Points

## Welcome to our New Members.....

Michael Foster

John and Lynne

Even though she's away Sue is still showing off her pride and joy. She recently participated in the Roma Easter Street Parade.

Our thoughts are with John Moyle and his family. His son Shane and his Fiancé Pip were recently involved in a nasty accident on the way home from Melbourne. We all wish them both a speedy recovery.

Welcome back to Ben who has been MIA for a few months thanks to a broken heel.

**Some Handy Info from Paul....**  
 For 9 years I have put up with my drink bottles & cans falling over in the FG console cup holders. This attachment is available on Ebay for around \$25 including postage. It adds height between the two cup holders. It also doubles as a change holder, and is available with a solid top, push fit so easily removed for a car show. Problem solved.

I think we all know a few of these.....

I have always enjoyed having cars. I don't seem to keep them long as I get bored with them quickly. I must say having had the FGX XR8 Blown 335KW its hard to get bored with this. Still trying to master all of its raw power once that supercharger kicks in. It's a real handful, but by far the best car I have ever had. Juanita's BMW X3 Msport is also a very fun car to drive with its 3 litre twin turbo engine. It is great to be involved in a car club again and this one has a good feel and a good social nature with people having fun, which is what it is all about.
