

# JUST CRUISING

## A message from the President

Welcome everyone to another fantastic edition of our club newsletter!

I am sure everyone would be aware by now that we have our club AGM coming up on Wednesday 11<sup>th</sup> March. I can't believe how quick this past year has gone, doesn't time fly when you are having fun!! There are five committee positions that have multiple nominations this year, thus needing your vote to decide so it would be great to see as many members as possible attending, your vote is very important in helping to decide the future of our club.

I would also just like to take this opportunity to sincerely thank all of the committee that I have worked with throughout this year for all your support and for making my job easy and enjoyable. Also, a massive thankyou to all of you, the members that have taken time out to help the committee on fundraising events, attending cruises and meetings and also helping out with setting up club displays etc at events and shows.

I am sure this coming year will be filled with more great events and we will continue to come up with different and exciting ideas for all our members to be involved in. Make sure you RSVP to events too, the events team are always trying to come up with new and different ideas. Remember to get your entries in for Old Skool 'n New Age and to register for our upcoming "Cruise the Bend" Experience. Footy tips are on again this year too, see Robyn for any information you need!

# Presidents Cruise Saturday 11<sup>th</sup> January, Hosted by Brett Moseley

We had a fantastic turnout of 13 cars for the annual President’s Cruise.

Newton Central was our meeting spot for this cruise and it turned out to be fantastic weather on the day. Upon departure we quickly left suburbia after heading up Montague road and into the hills. We had a nice combination of really windy roads including Corkscrew Rd (which speaks for itself!!) Gorge road, as well as some nice open sweeping ones (which were a bit more relaxing).

After reaching Birdwood, we continued through Mount Pleasant, Springton, Eden Valley, Angaston and finally reaching our destination at Seppeltsfield Winery.

We found a great place to park right near our lunch spot and proceeded to set up for our picnic. We had a great shady spot to have lunch and relax, we even had dessert in the form of cupcakes for Connors birthday!! Thank you to the other members who brought tasty treats along to share.

After lunch a few members went off to taste some wine, a few other members preferred to kick the footy and there may have been some napping also!!

After some time we decided it was time to head out and proceeded to pack up. We all went off in different directions as some decided to visit other areas in the Barossa while for some they had enough for one day and headed home. Thanks to those who came along and enjoyed the day.

# Forktree Brewery Cruise Saturday 25<sup>th</sup> January Hosted by Dennis Smith

We had beautiful weather and a great turnout of 12 cars and 20 people for the run to Forktree Brewing at Carrickalinga.

Deciding to take a few roads less travelled we departed the Mile End Homemaker Centre at 10:15 or thereabouts and started off on one of our usual routes up the freeway and exiting at Stirling. From then on, we cruised through Heathfield, Cherry Gardens and eventually stopping at Kangarilla for a bit of a break and stretch of the legs. The timing was ideal as the Tour Down Under crews were heading in the opposite direction creating a bit of excitement, although the riders weren't due to ride past for another hour or so.

From then on, we continued through to Wickham Hill and Range Roads in the hills above McLaren Vale with some great views over the area. Wickham Hill Road is one we should put in our memory banks for future cruises – nice a quiet and a great uphill winding road, always good for the cars (and us).

After a few more twists and turns – and trying not to get people lost - we eventually arrived at the Myponga Reservoir lookout for great photo opportunity and video as it turned out – thanks Robyn and Brett, the video of the cars cruising across the top of the dam wall is pretty cool. From there it was about another 10 minutes drive to Forktree Brewing where we had a nice relaxing lunch and a beverage or two. I highly recommend the Steak Sandwich and Sunset Ale.

After filling our bellies at Forktree we cruised back via Normanville and Yankalilla and stopped for dessert/coffee at Becks bakehouse at Port Noarlunga. Thanks to everyone that turned out and hopefully a great day out was had by all.

## Heartkids Show 'n Shine – Saturday 1<sup>st</sup> February Hosted by Chris Field

We received an invitation very late via e-mail for this event. It didn't leave a lot of time to get numbers together but we did manage to get 6 Cars to attend, which was great.

Many thanks to Sue, Pat, Juanita, Daniel, Pete and Helen for attending. Thank you also to Pete and Helen for bringing the Club trailer.

The show is still very new and they are gaining momentum in trying to get a lot more car clubs involved. There were around 40-50 other cars there, Corvettes, Holdens, Chryslers, Nissan and a few older cars. The event was well run. They are working on making it bigger and better next year and it would be a good event to support on our annual calendar.

Congratulations to Daniel for his raffle win, even after he had ditched his raffle tickets thinking there was no more draws. There is evidence of him climbing back into the wheelie bin after the tickets.

Next years event is already set for 7<sup>th</sup> February 2021 so keep it free!

# Bakery Cruise – Saturday 8<sup>th</sup> February Hosted by Connor Moseley

The bakery cruise started off at Munno Para where we ventured to our first bakery of the day, St Peters Bakehouse at Ridgehaven! It was a great start to the day with some grabbing coffees and cakes while others got stuck into a classic meat pie and sausage roll.

We then were back on the road. Heading through some windy roads and after the bushfires it was great to see some of the surrounding nature starting to regrow. We were now in Hahndorf and inside of the German Cake Shop. With welcoming staff, we were seated on two big tables and surrounded by old antiques to look at while we waited for lunch. For lunch some members stuck with the meat pie and sausage rolls but others took a culinary detour and got something a little different.

Once we had all finished our lunch and cakes we set off to our third and final bakery of the day. This time instead of taking the windy roads we chose a more relaxing route with long sweeping corners. After waiting for the painful traffic on Main South Road we all arrived at the Home Grain Bakery in Aldinga. Here the club was kind enough to buy each member that came a drink of their choice, and to accompany these drinks members bought cakes, ranging from the most delicious vanilla slice to donuts with sprinkles. This was a great destination to finish our day and as everyone had said their goodbyes we headed home with full tummies and enough pastry to last a lifetime.

Thank you to everyone that came, and I hope you had a great day. Until next time, keep on cruising!
