

# JUST CRUISING

## A message from the President

Hello again!! I hope everyone is well and you have been enjoying this year so far. The club has already had a mix of driving cruises, social events and of course an amazing weekend away in Waikerie. For me personally I think the cruises have been fantastic and cannot wait to see what's on the cards for the rest of the year. It's a great time, as always to be a member of this car club!! It's also been great to see the attendance numbers at cruises, a testament to the events team and the great work they are doing.

After our AGM back in March I want to welcome the new members to the committee, Cassie (events co-ordinator), Dennis (events 1) and Liam (events 2). Its great to have you guys on board and I am already enjoying working with you all.

If you haven't heard already, we have a quiz night coming up on Friday July 16<sup>th</sup>, we haven't had one for a few years so I hope you are all excited as the committee is. We have organised a special guest to be the MC for the night and read out the questions (some of you will know him some may not), I am sure there will be heaps of laughs and of course an opportunity to raise some funds for the club.

Don't forget we have a Bunnings BBQ coming up on Sunday June 13<sup>th</sup>, we need helpers on this one so if you have some spare time it would be greatly appreciated if you put your hand up as it lightens the load on the usuals that normally help out.

Anyway, I hope to see everyone out with the club soon and keep on cruising!!

## Fleurieu Cruise Sunday 7<sup>th</sup> March Hosted by Paul and Trudy Minett

We all met at Hungry Jack's on Anzac Highway for a caffeine hit to start the morning and even breakfast for some.

Following a quick start up instruction we headed off. Trudy was panicking with 15 cars in tow and with good reason as Pat managed to get lost within 15 minutes, Cassie managed to get him back on track and we made our way south through Happy Valley, Clarendon, Kangarilla and McLaren Flat.

We had morning tea in McLaren Vale where there was lots of chatting and catching up with each other. After more coffee and some yummy slices (thanks Trudy) we ventured off to our next destination. There was a right turn into the busy McLaren Vale weekend traffic that took some time but we all managed to catch up and regroup into our convoy and continued on through Willunga, Mt Compass and the final run down the roller coaster road into Middleton.

Another right hand turn that proved to be more painful than the last one, but eventually we all made it to Port Elliot (thanks to the cockle train stopping traffic for us).

Our lunch was in Commodore Park (yes you read right) on top of the bluff, with lovely views over the south coast. With so many shining fast Fords maybe they need to change the name of the park.

After lunch we made our way home stopping at the Strawberry farm in Mount Compass for ice cream and coffee. We all had a lovely day with great company. Thank Pete and Helen for sweeping with such a large group.

## Prancing Pony Event Sunday 21<sup>st</sup> March Hosted by Brett Moseley

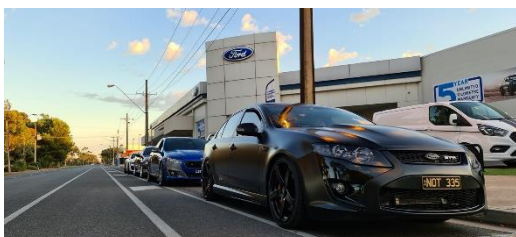

Mike Perry invited the club along to support the dealership on this event, which we were more than happy to oblige on this occasion.

We had a great turn out meeting at Maughan Thiem early. It was a joint cruise with a few cars from MOCSA and friends of Mike along with some Maughan Thiem mustangs. We headed off together up Port Road towards the freeway and eventually arrived at Prancing Pony Brewery after travelling up through Hahndorf.

After setting up we were offered free coffee which was a nice surprise (thanks Mike!) there was a great mix of cars on display and the weather was fantastic.

The brewery also had some lunch specials on that most of us decided to try, it was all very tasty!!

Early arvo came along and it was time to depart, thanks again to Mike Perry for the invite, Maughan Thiem want to make this a yearly event for which I am sure the club would be happy to be involved again.

# High Tea / Power Run

## Saturday 17<sup>th</sup> April

### Hosted by Tony and Lee Barbaro

We all met at Krispy Kreme on Port Wakefield Road in an uncontrolled manner. We proceeded to Pat and Cassie's house. Because Tony forgot to get a sweeper going (that was a bit silly wasn't it) we soon sorted that out at Pat and Cassie's house when we dropped all the women off. The men then proceeded out onto Main North Road, right onto One Tree Hill Road and then proceeded on to Humbug Scrub Road which took us through Cockatoo Valley and the finally we ended up in Gawler. After navigating our way through Gawler we ended up at the St Kilda hotel for a refreshing beverage.

Then back on the road again down the new Northern Expressway down to Port Adelaide and making our way to the Largs Pier hotel, here a decision was made for either ice cream or another refreshing beverage, the refreshing beverage won. Back to our cars again, down the Esplanade and back onto the Northern Expressway again heading back to Pat and Cassie's house.

Meanwhile back at Pat and Cassie's the ladies had a lovely afternoon of delicious cakes, sandwiches, sweets and many cups of tea (well, mostly tea). Many shenanigans were had with funny photos taken in front of the picture wall and lots of laughter.

After both groups enjoyed their separate activities, we all joined back together in the evening to enjoy a lovely barbecue dinner with lots of salads and sides (and more sweets of course!).

Overall, the cruise and the high tea were a great success and we can't wait to do something similar again very soon!

Special thanks to Pat and Cassie for graciously allowing us to have the high tea and dinner at their house! As well as a big thank you to those who brought sweet treats along for everybody to enjoy together!

Thanks again to all who came and made the day so much fun!

## Waikerie Show 'n Shine Weekend

### Friday 30<sup>th</sup> April

### Hosted by Tony and Lee Barbaro

We started off at Bunnings at Munno Para, with 7 cars, our first stop was Truro where we enjoyed a nice lunch at the bakery. Then off to our accommodation at the Berri Hotel, once we all checked in we went and washed our cars ready for the Waikerie show n shine the next day. We had a couple of late comers arrived and we all sat down for a meal together at the hotel.

We were up early on day two to travel to Waikerie for the show and shine, stopping a Nippys we were met by some more members and then made our way to the riverfront where other members were already waiting for us on the oval. This is the first time the show had been held at the local footy oval as it was getting too big for its previous location. We had a wonderful time looking at all the other cars and the market and rock 'n roll and line dancing clubs doing their thing. The club display looked brilliant and Brenton won second place for his car. The show finished around 2:30 and after we packed up we made our way back to Berri hotel for some R&R. Dinner was booked at the Mallee Fowl Restaurant and we were being picked up at five. Our driver was on time and even had a joke or two for us, was nice to be chauffeured there so everyone could relax have a drink if they wanted and not drive home. The restaurant was a bit of a strange old place, don't think there was any space on the walls even had Emus walking around with the customers. The food was great and everyone had a good time there. After getting the bus back to the hotel we called it a night.

The next morning we were up and ready to get back to Adelaide. We travelled onto Waikerie and stopped at the bakery for breakfast / brunch where we had a lovely time chatting and taking in the wonderful view of the Murray. After filling our bellies we were back on the road again back to Adelaide. Hopefully everyone had a very good time away.
